Grandeur Deepawali Indeed

It was so magical experience with our long time travel agent A1 Escapes. Explored Delhi, Agra, Jaipur with Diwali Celebration in Varanasi. Our agency managed a group of foreigners and Locals to celebrate Diwali on the Ghats of Ganges. Boating on the Ganges also amazing - they also distributed souvenir to us. We got to help create a rangoli, an intricate decoration made with colored sand to adorn the floor of an entranceway of our local agency. Ended up with a truly special Indian Veg Thali in Varanasi. So happy ! and would to see it again !

Pankhuri

They are very professional in their work and not like other agents who just suggest everything for their business...they understand our choice and budget and then make our itinerary accordingly. Thanks to the team

Amazing first trip to India 

Shaan was great at planning and coordinating my trip to India and Dubai. He was available at all times and ensured that our transfers and tours were seamless. I will definitely use his services again.

India Tour

Thank you Shaan and A1 Escapes for an unforgettable experience. There are too many highlights to single out just one. Kashmir was amazing and Anwar made it even more memorable by accommodating our every request. Amritsar and the Golden Temple was unique. Well worth the wait in the queue.

Diwali in Ayodhya and Varanasi was magical. Truly a once in a lifetime experience. Thank you Shaan for managing our trip so efficiently.
